Nonprofit Partners:

We need your help in 2021:

- 1) Support our \$2 million fundraising goal to create a self-sustaining fund for the families.
- 2) Help us locate the families of your fallen classmates. We continuously engage with several dozen families and monitor information channels to track casualty reporting. Ensure your classmates and their families are aware of the resources available.

Thanks to all who contributed their time and resources to enable the Foundation to operate as an **all-volunteer** force! **Please note our new mailing address:** 5535 Memorial Drive, Suite F Box 1079, Houston, TX 77007.

The Mission of the Custodes Libertatis Memorial Foundation is to provide educational scholarship grants for a post-secondary degree, from an accredited two or four-year college, university, technical, or trade school. These educational scholarship grants are available to the children of graduates of the United States Naval Academy who have lost their lives in combat against the enemies of the United States of America, as a result of Military Training, in the line of United States Department of Defense Duty, as a direct result of their service in the United States Intelligence Community, Law Enforcement Agency, Emergency Medical Services, or as a First Responder, in the period following September 11th, 2001. The Foundation is an American tax-exempt 501(c)(3) non-profit organization founded to provide these grants to the children.

The Custodes Libertatis Memorial Foundation is not legally affiliated with the United States Naval Academy or the United States Naval Academy Foundation, and is a separate and distinct legal entity, organized around a single mission.
